- "My boyfriend! I love his natural body scent."
- "Cleanse, tone, moisturize, eye primer, shadow, liner, powder foundation highlight, blush, setting spray, eyebrows, lipstick. Sometimes mascara, although I mostly hate it."
- "My boyrriend wears vintage black and it's so freaking sexy lol. I rarely wear perfume, I prefer natural smells or sweet smells if I do though, pink sugar was my jam in high school lol. I mostly just use lavender and fruity smelling soaps and it's not overpowering but I still smell delicious lol"
- "My boobs grew and hurt in ways I'd never known before and then I started getting really bad cramps but no period. So I took the test while at work and it was positive. A tiny part of me was very excited but I was mostly sad and scared. I have severe endometriosis and was told if I ever got pregnant that the baby would die. So I spoke with my husband and the doctor and we agreed (very reluctantly on our part) on having a medical abortion. That was last July. I switched doctors early this year and was told there's no reason I wouldn't be able to have children. I'd just have to be on bed rest and monitored very closely. I could have had a baby to now and it makes me and every cincle day."
